

Vehicle Access - Reddycliff Place

Any vehicle accessing the site requires an access pass from the Brisbane Economic Development Agency. Please note that access times are set by Brisbane City Council, and in some cases the times requested may not be approved.

Site Hazards

Information on hazards onsite [can be found via this link](#)

Vehicle Access Application

Access passes are only provided for vehicles that are required for operational reasons, or are part of the event itself. If you cannot explain why a vehicle is needed, it will not be permitted onsite. Vehicles used for personal transport will not be permitted onsite.

All vehicles to enter / exit via George Street.

- Vehicle registration details are not mandatory.. We would like the details to be provided, but we do understand that this is not always possible with hire vehicles
- Should gross vehicle weight exceed 12t, please discuss access requirements with the Brisbane EDA, as entry via George Street may not be suitable.
- Access may not be approved during peak hour for safety reasons

Application Form & Conditions

[Please follow this link to complete an online vehicle access application](#)

This access pass provides approval for vehicles to access the Mall/Reddacliff Place, and does not permit the holder to carry out any form of other activity, unless otherwise approved by the Brisbane EDA

If approved, a vehicle access pass will be emailed to you. Directions are included on the pass. By submitting the application, you agree to the following conditions (these conditions will be listed on the access pass)

1. Pedestrians have right of way at all times
2. The vehicle must not exceed walking pace, and must have hazard lights on
3. Vehicles must be escorted on foot when on the Mall/Reddacliff Place during business hours – this is the responsibility of the event organiser
4. Braille trails and access for other vehicles in the Mall/Reddacliff Place must never be impeded by the vehicle or goods (including access for emergency vehicles)
5. Vehicles must be no more than twelve (12) tonnes in weight including load
6. The vehicles engine must remain off whilst stationary
7. Vehicles are not to be left unlocked and unattended
8. Suitable precautions shall be taken by the contact on the application to ensure that there are no oil or grease spills on the Mall/Reddacliff Place surface and will be charged if Council is required to clean up the oil or grease spills
9. In the case of any damage caused in the Mall/Reddacliff Place by such a vehicle nominated in this application, the owner and/or driver of such a vehicle and each of them is liable for the cost of repairing such damage and for the value of any property which has been damaged beyond repair
10. The authority holder must comply with any direction of the Council or its delegate or authorised officer, a member of the Queensland Police Service or other emergency service or a representative of the Brisbane EDA
